

Cerdeiras House Hotel / Tiago do Vale Arquitectos

🌲 探访指数：4.5 / 5.0 | 山地遗产中的静谧旅居

📖 空间故事

- **历史层次：**项目把一组始于 1747 年、经历多次扩建与重建的乡村建筑转化为酒店，保留花岗岩与片岩立面，同时让新体量清楚表达当代介入。
- **场地关系：**房屋位于拉布鲁雅山地，邻近 Senhor do Socorro 圣所与圣雅各之路，建筑体验始终与山谷、梯田和乡村道路相连。
- **细节看点：**入口、庭院、白色旋转墙面、天窗、手工瓷砖、粉色大理石、木格栅和谷仓结构共同构成一条从地方记忆进入当代酒店生活的路径。

🎒 旅人行囊

- **最佳体验：**适合以住宿方式慢慢体验，而不是只看外观。清晨看山谷光线，傍晚看石墙、玻璃体量和泳池露台之间的层次。
- **行家看点：**重点观察新旧交接处：幸存石墙并未被完全复原成怀旧图像，新建部分也没有抢夺主角，而是用尺度、材料和光线建立对话。
- **顺道探索：**可把项目放入 Ponte de Lima 与 Alto Minho 山地线路中，与乡村教堂、圣所、葡萄牙北部传统聚落和自然步道一起安排。

🚗 交通与住宿建议

- **到达基地：**项目位于葡萄牙北部 Ponte de Lima 一带，建议以自驾或包车方式抵达；公共交通信息需在出行前根据酒店和当地交通平台再次确认。

- **停留节奏：**如果作为酒店入住，建议至少安排一晚，让庭院、餐厨、客房、露台和山谷视野在不同时间逐步展开。
- **住宿提醒：**探访应以酒店开放预订和入住规则为准；非住客是否可进入内部空间，需要提前向酒店或运营方确认。

一句话总结

Cerdeiras House Hotel 的价值不在于把乡村旧屋“修回过去”，而在于让一座持续变化的房子继续拥有新的生活。

Space Story

- **Historic layers:** The project turns a rural ensemble dating back to 1747 into a hotel, preserving granite and schist facades while allowing new interventions to remain legibly contemporary.
- **Site relationship:** Set in the Labruja Mountain area near the Sanctuary of Senhor do Socorro and the Portuguese Way of Saint James, the building is inseparable from terraces, valley views, and rural paths.
- **Design focus:** Look for the entrance threshold, the courtyard-like social room, the spiral vertical plane, skylights, handmade tiles, pink marble, timber screens, and reconstructed granary structure.

Traveler's Kit

- **Best experience:** This is best visited as a stay rather than a quick exterior stop. Morning light, dusk views, and the transition between stone walls and glass volumes are part of the project.
- **Expert focus:** Pay attention to the junctions between old and new: the project avoids nostalgic reconstruction and instead lets different periods remain readable.
- **Nearby route:** Combine it with Ponte de Lima, Alto Minho villages, sanctuaries, rural landscapes, and walking routes connected to the region's pilgrimage culture.

Getting There & Where to Stay

- **Arrival Base:** The project is in the Ponte de Lima area of northern Portugal. Driving or arranged transfer is likely the most practical option; confirm current access before travelling.
- **Visit Rhythm:** If staying overnight, allow the project to unfold through arrival, dinner, dusk, morning light, and movement between the house, granary, new wing, and terraces.
- **Access Note:** Interior access should follow hotel booking or visitor policies. Non-guest visits need direct confirmation with the hotel or operator.

In a Nutshell

Cerdeiras House Hotel matters because it does not freeze rural heritage in the past; it lets a changing house continue to live.
